“ You never think something like this will happen to some one you know. I cannot even think what to say to such a gravity as this. I'm so sorry for her family. I do have good memories when we were growing up of Liz. She was such a cute kid. it made it hard on thoes of us who were not so cute. That was a long time ago. I'm sure her beauty remained. You just assume there will always be time to catch up some day. I have been praying for the family off and on ever since I have heard about this. I will continue to keep you all in my prayers.
