“ I met Mr. & Mrs. McLean in September 1972, when Mr. McLean hired me as the first secretary at Essmueller South here in Laurel. They were the sweetest couple and their love for each other was evident in how they interacted with each other. He knew that I was from Hawaii, and they were planning a trip to Hawaii the following year. When they returned from their trip, we had them over for supper. I proudly showed them my few pictures from Hawaii that were taken on my Kodak Instamatic camera. They were so gracious to "ooh and ahh" over them. Then, Mr. McLean showed me their pictures that were taken with a 35mm camera. BIG DIFFERENCE in clarity! LOL! The pictures were beautiful and we enjoyed seeing them. But I told them that, had I seen their pictures first, I would have been embarrassed to bring my pictures out. Ha! Ha! We all had a good laugh over that. Oh, these two people wrote the book on what a loving marriage is all about. I know that they are happily reunited in Heaven. Sending our love to their two sons and their families.

“ I am so very sorry for your loss. Ms Mary lived just down from me at Laurelwood Apts. I became acquainted with her and her son Bob when I moved her. She was always the sweetest kindest person. I have missed her these past few years. I am praying for your family during this difficult time. May God comfort you and give you peace.
