“ Dear Hugh, Carla, Missy and family, So sorry to hear of the loss of your mom. I have so many fond memories of her. I always loved visiting her at the hospital. She seemed to know everybody and treated everyone there with respect regardless of whether they were an administrator or a janitor. She was always supportive of her kids' activities and loved cheering them on in whatever they were doing. I especially remember how proud she was of Hugh when he won the NEJ pageant!! She also made a mean Pound Cake which my mom still makes occasionally! She was always positive and I never heard her say anything negative about anyone. Please know you all are in our thoughts and prayers!! Tracy and Family
