“ *Brian, I am so sorry about the loss of your mother! I wished there was something I could say to ease the pain you and your family are going through right now. I can't think of anything. Just know you all are in my thoughts and prayers.*

“ *Aunt Mary was truly one of the funniest, loving, most compassionate women I've ever known. A light in this world has gone out, but, heaven is rejoicing with her arrival! I loved her beyond words, she will always be a part of me.*
