“🌷Lovely and Gracious, Strong and Adventurous (she traveled to Israel at 93 years old!)

Mimi was my Southern Grandmother💕 I always felt it was a great honor when she told me one day, years ago, that she counted me as “one of her girls”. She most definitely lived her motto of “leave a place better than how you found it”. That legacy lives on with her children and grandchildren and with me as “one of her girls”. I love you Mimi🌷

I met Mary Jo when I volunteered to help with flower arrangements for a museum event. She invited me to join her garden club and I became a member immediately. She was one of my dear friends and we shared many happy times in the Waynesboro Drive Garden Club later renamed Southern Heritage Garden Club.

*I am so thankful that I have been blessed with her friendship and love. Now my precious friend is in the arms of our Lord and blessing heaven with her beautiful flowers and beautiful smile and gentleness .
Jon and I love you and are thankful that you blessed our lives with such beauty and warmth and gentleness 🌷💜🙏*

“ *Our heart is saddened to hear of the passing of Mrs. Wedgeworth. We grew up knowing the influence she had on the lives of many young people in Jones and surrounding counties through her tireless and sacrificial work with 4-H. Her children, James and Marsha, were role models for others to follow and still today set highest standards of excellence for others to emulate. Mrs. Wedgeworth will be missed by all who knew her and loved her. I'm praying for her family during this time of great sadness. May God richly bless you and sustain you.*

“ *I loved Ms Wedgeworth. I went to school with her two kids through
elementary & high school. We lived in same community and our
families went to the same church. Her daughter, Marsha, & I were
friends in church & school. Her son, James, was a good friend of my
brother. Ms Wedgeworth was always so sweet to help us kids in
church. I remember her helping when we were in the 4-H club as
young girls. As I grew up, married & had my own home, she was a
great influence helping me join the garden club.
She & Mr. Wedgeworth were great influences in our church,
Eastview Baptist, and in our
Community. Prayers for the family 🙏*

This sweet lady and her late husband were the 1st to greet me when I joined Republican Women. I saw how hard she worked first hand to keep this organization going. She was a truly inspiring person. Her love of God and her church always shown thru in everything she did. Even after she was not in office, she often brought beautiful flowers to share with all us at JCRW. Thanks for being an influence in my life Mrs. Wedgeworth. - Jan Ruffin
