“ Sorry for you loss, Sandra. You will probably not remember me, but I was one of Danny's classmates and teammates. Your Mom always had some great snacks when Danny and I were around the house. You didn't have much to do with those "ole boys" back then. ;-) I also used to visit your Dad at the store to catch up on former friends when I was in town.
I realize it is late, but our sincere condolences to you and your family.
