“ *When I see a Butterfly, I am amazed with its beauty. If by chance I touch it, it's colors rub off on me..which I think of as wisdom. I envy its freedom and often wonder how something so fragile can be so strong. Kind of reminds me of you, my friend. I'm amazed at your beauty inside and out. Your colors of wisdom have rubbed off on me during our friendship. More often than not, I wonder how someone could be so fragile, yet stand so strong. I am proud to have called you my friend. You are truly one of the greatest of the few Butterflies in my life. I love you and you will live forever in my heart.*
