“ Our sincere condolences to Merlin’s family. We are dear friends of Carol Hehn’s in Milwaukee. We had dinner with Lizzy and Gary when they were visiting Carol a few years ago and we enjoyed the warmth of their company. Through Carol we have heard many stories about your family and how proud she is of how the family cared for Merlin for many years and loved him dearly. Carol will always have our love and support and especially now.

May your many fond memories of Merlin sustain you during this difficult time.
