“ *Andy, it's crazy to even believe this. But I've known you since the 5th grade and had every class with you since then. I would remember you hanging out with my brothers Robert and Ronald Fisher and you guys would torture me lol calling me Godzilla, but not long after that I remember me you and Sammy singelton would raise hell. I really can't believe this and just kno your truly gonna be missed. We all love you ready easy my friend.
