“ Oh how you are going to be missed by so many. You were an amazing uncle to Shelton and Chris, they loved you like a dad, I guess you can say you were there second dad. Mike and Erby had been friends ever since I am remember and that's been at least 45 yrs. Shelton always talked to you a lot more than some of us. His dad is in hospital and they haven't told him yet about his dear friend, Mike, but Shelton said his dad saw him at the end of his bed the day he died, do he got to see if his in spirit if not in flesh. Your were amazing friend and uncle to us. We love you Mike- and we are going to miss you . Our prayers are for comfort and peace for the family . Fly high our friend and uncle. Because we know where you are! Just know we will have you in our hearts!

“ *My Uncle Mike loved and cherished his family so much and we did the same to him. All his babies know how much he loved us and we loved him. I'm so thankful to have had this man in my life at many times when I needed him and I knew he was always just a phone call away. During one of our last visits he told how proud he was of me and my husband and that means so much to the both of us. He will always be in our hearts. I love you Uncle Mike and Aunt Vann.*

“ To all the family we will not be having a funeral. Uncle Mike wanted to be cremated so when we get a date we will let you all know. We are going to have a reunion in his memory for him. That's what he wanted. Thanks
