“ To the Savell Family...my deepest heartfelt sympathy in this tragic loss. I have know Dr Savell for many many years as I am an alumni of SBC. This family means a lot to me. I did not know Michelle personally, but I feel connected thru the family. I just can't imagine what you all are going thru. All I can do is pray for strength, peace and the wisdom to continue thru this difficult time. I am praying for the children especially. You are all in my thoughts this day and for days to come. May the amazing grace of our Lord Jesus Christ be felt this very moment. In Christ, Terry Pittman
