“ *MeMaw... I can't believe you have been gone for 5 years. I miss you so much! The pain feels the same as when we were told that you were gone. I love you SO much! It is definitely a cherries in the snow day. Your only lipstick. I always keep some with me where ever I go and anytime I'm having a hard day like today I wear it. Everyone always says it looks really nice. I never thought that I could pull it off like you. I cant believe that I'm blubbering like a baby typing a memory of you. You would tell me to dry my tears... Its funny how even though your gone I still know exactly what you would tell me for almost any situation. God I love and miss you MeMaw!!!! Gone but NEVER forgotten!! ❤️💔*

“ *Have such good memories of Minnie J. and Ralph when they rented my Grandfather Byrd's house by us. Gene was remembering working with Ralph a few weeks in the summer after we were married. Always enjoyed seeing her at Carter-Heidi. Sympathy and prayers to Ralph, Tony, and all the family*
