“ My name is Jane Johnson. I worked with you mother and grandmother at the hospital in the Nursery. She was a special friend to me in so many ways as was her husband Mr. Massey. He and I went to church together for years. In fact, I was part of getting her and him to gather. She was the bravest, kindest most loving person I ever knew. My husband died 2 years ago and I have been caring for my mother until she died last August at the age of 98, Heaven was rejoicing when she arrived. I would have been at the funeral but I don't check my e-mail very often and don't get a paper.
