Nancy Elizabeth Richardson Bush was born on September 7, 1944, in Hattiesburg, MS, and passed away peacefully on Friday, April 9, 2021, in Laurel, MS.

Nancy graduated from William Carey College in 1966 with a degree in Home Economics. After graduation, she went to work with the Mississippi State Extension Service. While with the Extension Service, she served as the Smith County Home Economist from 1966-1971 and the Hinds County Money Management Agent from 1972-1976. She thoroughly enjoyed her time at the Extension Service, where she was able to help people and made many lifelong friends. After her children were born, and the family moved to Laurel, she continued to be involved with the Extension Service as a volunteer through the 4-H program. She devoted her talents and skills to helping numerous young people with projects and participation through this program. It was something that she enjoyed and continued throughout the years. She also was very active in the Junior Auxiliary of Laurel, and the Jones County Medical Association Alliance, as well as many other local civic organizations. She was an active member of First Baptist Church of Laurel throughout her life, and spent many Sunday mornings in the nursery, a place she loved to be. Nancy was a lady who loved all children and always had time for them. She found immense joy spending time with her family and friends, especially her grandchildren. She always had an open heart and an open house, not just for

friends and family, but for everyone. She will be greatly missed by all.

She is survived by her husband of 53 years, Dr. George R. Bush, of Laurel; two sons, Kyle Bush (Nichole) of Hattiesburg, MS, and Richard Bush (Dana), of Madison, MS; and four grandchildren, Carter and Matthew Bush, of Hattiesburg, and Ethan and Anna Bush, of Madison, MS.

She is also survived by two sisters, Barbara McNair, of Hattiesburg, and Sue Ross, of Gulfport, as well numerous nephews, nieces, and cousins.

She was preceded in death by her parents, Earl and Edith Richardson, brothers John Richardson and Tommy Richardson, a special aunt Jewell Lee, and cousins Peggy Lee and Bobby Lee.

“ Oh, how I loved Nancy! We became friends when she helped me start the breast cancer support group at SCRMC. She had the sweetest heart for those ladies and will definitely be missed. My thoughts and prayers are with her family.

“ Nancy was my favorite cousin and we spent many happy hours together as children and teenagers. She was a wonderful influence in my life as we grew older. We didn't see each other often as adults since we lived in different states, but geographical distance didn't change the closeness we felt when we talked and saw each other. Nancy was a woman of good character and great love for others. She helped my parents so much as they grew older. For that I am eternally grateful and will cherish her memory forever.

“ *Nancy was a true southern lady. She was a gracious hostess, loved
and admired by all. We made many memories that we'll cherish, so
thankful God allowed our paths to cross. May her family find peace
and faith in God's love as they adjust to their loss.*
