“ *Debbie, Tommy, Mike and families,
Just heard about your mom, and we are so very sorry about the loss
of your sweet mom. I enjoyed visiting with her in the last few years
as I delivered meals to her. She always stayed just as sweet and
beautiful as I remembered her growing up. Having just lost our mom
in March, I well know your feeling of loss and sadness. Just know
that you are in our thoughts and prayers.

“ So sorry to hear about Mrs. Walters. We lived across the street from her in the early 80's for 9 years as a young married couple buying our first home before we got transferred to McComb. She and Mr. Walters were sweet folks. She always had a beautiful yard and so much knowledge of plants.

I think that is where we got our love to take pride in ours from that time forward. Between her and Mrs. Mauldin we had to keep ours up to par and we continue today.

I know she will be greatly missed. Our thoughts and prayers are with the family. With deepest sympathy.
