“ I have only learned today, September 2, 2020, of Nancy's passing. She was a friend and sorority sister from our days at Millsaps College, and we had reconnected at our 45th reunion in 2013. I was so happy to see her again, looking so youthful and lovely. None of our little group of Phi Mus was aware of her death. We are shocked and saddened and would like to be in touch with her brother or any other family members who see this message. Please accept my belated but sincerest sympathy. Kay Pritchett
