“ *Nona was always so good to me and my children. She jumped right into my heart from the day I met her and stayed there. I've never met a better person. Loved you Nona with all my heart. You were right about everything. I'm missing you here but the angels are singing and Heaven is rejoicing welcoming you home.*

“ *She loved UNCONDITIONALLY and always brought the best out in everyone she met. She always had a smile and loved to laugh. She left a peice of her heart with those she loved and will live on through them just as her mother through her.*
