LD

“ There is not a day goes by that I miss your voice, your smile and your hugs. Life is so empty without you. You were the glue that held our family so close to one another. We often set and talk about the good ole days with you and daddy. I would give anything to relive my life-from the day I drew my first breath. Our lives going up were wonderful years full of laughter and happiness. As I go through this world without you, I long for the day to see you, daddy and Corey once again. Rest in peace my precious mother and best friend. I was blessed that God chose me to be your daughter.

“ It is with a heavy heart I send my condolences to the Harrison family. This lady was such a great joy in alot of lives. I met Ms.Nora Mae at Victoria Baptist Church in Sharon nearly 20 years ago. She was a wonderful friend to my mother in law whom has also gone on to be with the Lord. I will never forget my son who is almost 20 tell her when he was just a small child that her dumplings were the best and she would cook them just for him when they'd go for a visit. This I'd just a warm memory I wanted to share. Ms. Nora Mae may you rest in peace with the angels in Heaven. I am honored to have known you.

“ Your family is in my prayers. I am anxiously awaiting that day to see Nannie And Mr. Mack again in glory land. Nannie was such an inspiration to many. Every time I seen her she would always give me a smile. She loved to have a good time in Christian fellowship. Praying continuous for the family.
