“ Larry always loved it when I brought a German Chocolate Cake w/ Coconut Pecan Icing to the VFD Christmas party. So embarrassed, the cake was still too warm for the icing one year. Everybody told me it was fine & just kept sliding that top layer back over. At the end of the night it was completely gone, & there was Larry with a spoon scraping up all that icing that had melted off, trying to eat it all up before Becky caught him! She caught him! With love to Becky & the girls, I am so sorry for your loss. I loved his presents. Alice Bush Waller.
