“ I first met “Jr” at Hillcrest Baptist Church in early 1960’s where and his family were members. He was my sister’s age, Perry was my age and Ray was several years younger. These three “boys “ were friendly, obedient and respectful to everyone. Perry surrendered to the gospel ministry and preached his first message one week later at Hillcrest. We had another friend who also entered the ministry at that time and was a great preacher, Granville Clark Jr and his brother Randolph “Randy “ Clark with their parents Granville Sr and Ms Helen Clark and sister Sue Carol were leading members there. We had a large youth group and spent lots of time together in church activities. The pastor at that time was Brother Olen Greg. He loved young people and we loved him. Those were wonderful times and outstanding memories of a time when we knew what real worship is. I will always cherish those years with “ Jr” and his family, God bless each of you during this sad time ❤️🙏
