“ There are too many wonderful memories to have one favorite of her to list but the short n sweet of my best summaty and celebration is that she was my bonus Mom and I'm so blessed to have known her, loved her, and been loved by her in return....she was a positive and humorous influence always and is greatly missed....my thoughts and prayers are with her family and the best blessing of all is knowing her new address and that I'll see her again someday....RIP....Pam A
