“ I am so sorry to hear about Ouida. Don has had knee surgery and I broke my shoulder and we have been in therapy and can't come to the funeral. She was a gem in the Bush family and did all she could to help in the family. It was a blessing to have known her all the time I grew up. My prayers are with you all.

“ I love this lady so very much!! I used to love for her to tell stories about when she was growing up when I would help her in the nursery. I will never forget the Sunday I came out into the Sanctuary and she asked me to sit down beside her..she held my hand and told me they thought she had the beginnings of Alzheimers. She said I want you to know that I love you even if I might not remember who you are some day. I hugged her and said I love you and will always tell you I love you and remind you who I am! We were both crying and she hugged me and said she loved Plainway and always would. We talked on for a little bit and she said just remember what I said. I said yes ma'am and I will pray for you!! As time went on and Randy would bring her to church I would always go straight to her when I saw her and hug her and tell her I love you!! She always said I love you too!! She was always a faithful member of Plainway and helped in any way she could. She helped for so many years with Ms.Bobbie Sullivan in the nursery. Her and her husband were both active members including her two sons grew up at Plainway. And one of her daughter-n-laws and her family were faithful members of our Church, We used to laugh because my name is Ouida too. Somebody would say Ouida and we would both answer. She fed me and every child in Church peanut butter and crackers. I will miss this great lady so much!!! But I will always smile when I Hear her name because she is my friend and a lady I admire!! She loved The Lord and her church!! She is finally free from pain! I will see you again one day and give you a big hug and tell you I love you!!! God Be with the Dearman family during this difficult time.
