“ Pam , thank you for giving us the most wonderful gift that can be given. You gave us our previous son. You put your emotions on hold and sacrificed greatly putting Aaron’s future before your own. We have always loved you Pam even when we did not know who you were. We always prayed for you especially on Valentines Day. You were a brave courageous woman. We wish we could have know you better. We are grateful Aaron got to know you and love you. You will always be in our hearts.

“ I don't remember how we met but I do remember that she was one of the sweetest people I have ever been around. I remember she worked at a doctor office in ellisville and she always made sure she spoke to me. I'm so sorry to hear about her passing. She truly was a sweet lady.
