“ Lane, my wonderful, awesome big brother was a precious, precious gift to us all, his family, Daddy, Momma, Brothers and Sisters, all 10 of us. We as kids, grew up with our cousins, who all live on Pontotoc, MS now, all surrounding their Mom, our precious, precious Aunt Vida, the matriarch of our family now. All of us kids played together outside under the pine trees on McMillan poultry farm in Winston County. We built roads, houses, stores, our town we called it, using whatever we could find to use, whether it was sticks, leaves, pine straw, our grandma's old stuff bottles to build our town. These were precious hours spent together as family, at night time we catch fireflies (we called them lightning bugs 😊) Think about these times a whole lot now.

*Love you Big Brother
