“ David & Jimmie: You both have my sympathy as you grieve the loss of Patricia. I remember her fondly, and both of you, from my childhood and youth at Stringer Methodist Church when we all attended there. No mother should have to deal with the loss of a child, and you, Jimmie have lost both Robert and Patricia, and your son-in-law Daniel so recently also. David, having just lost my sister Nola in November, I know how sad this is for a brother. I just wanted both of you to know that you have been in thoughts much in recent weeks, and will continue to be.

“ *My sympathy to all of the family. Patricia and I got to know each other through our sons who share the same birthday. She and I always laughed about the day the two of us were in the labor room together. Patricia was a very sweet person and will be missed by many. I send prayers your way.*

“ *I'm praying for all of you as you go through this unimaginable time. I knew Daniel and Patricia through Master Gardener activities and always enjoyed being around them. I was also blessed to participate in their activities at Laurelwood Community Living Center, where they ministered every month. They were a special couple, as well as precious individuals.*
