“ Bill, My thoughts and prayers are with you and all the family during this very sad time as you say goodbye to Ann. I don't know if you remember me. Ann and I were in school together all the way through high school. You and my sister Billie Joyce(died in 2004) graduated the same year. We grew up on Second Avenue just a little way from your home on First Avenue in Laurel. I read the obituary for Ann and learned that your sister Judy and both your parents have also died. I can imagine how hard it will be for you without any of your immediate family left. I hope you have a family of your own. Take care of yourself. Ann was a sweet person, and I remember her fondly. Sincerely, Sue Fairchild Phillips

“ My sincerest condolences. Ann was always loving and I'm just sorry that life and the miles between us prevented me from seeing her more. She will be fondly remembered.

“ I love you guys. I have wonderful memories of your mom. She was my mom for quite a few years. Such good loving memories. She was a great woman. She always made everyone feel at home. I remember when I was a kid me Bobby Stacia were playing. I busted my lip. we lied said I ran into the wall going to the BR. She believed us! Wow we were noisy kids.. I remember after that night. I had the pleasure of a night light everytime I visited because she didn't want me to get hurt again. LoL. We gave her fits in stores playing, our diets (I remember we refused to eat cause we didn't want to get fat so our weeks together playing was cut off. Boy did I miss you Stacia! I still do. You were the best friend. I admired u so then, still do. You two take care of each other. She would want that. Stacia, you and Bobby were always so close.! You have a wonderful loving family. I am so glad to have been apart of it then. Mr Joe was wonderful too. At first I was scared of the big bear, but under all that gruff is a great man. I am remembering you today as I do lots.
