“ Patrick will always be that little curly haired laughing boy that played with Ethan; back and to across the road from one house to the other. I will always cherish those sweet memories of little boys laughing and playing with not a care in the world. And Hannah said after she was older and at parties or get-togethers with friends, if Patrick was there also he would announce to everyone, "don't mess with her; that's my little sister!" I loved that he looked out for her! He touched the lives and made wonderful memories with both of my kids.

My heart breaks for your loss. I pray God holds you in his hands and gives you the peace and comfort that only He can give. My prayers will continue long after this day ends for you Gail, Randy, Mrs. Patsy, Mr. Norman and all those family and friends who loved Patrick.

*In love and prayers,
Renee Wimberly*

“ *Patrick was truly a great person and a beloved friend. I will cherish the many memories we made together. Patrick, my brothers, and I spent a lot of time hunting together. Deer season will never be the same without him. I loved him like a brother and will never forget the time we shared together.*
