“ I will never forget the memory of Patsy and Granddaddy driving over to the crowd on their wedding day, and Patsy calling me over to the car. Then she gave me a kiss and handed the bouquet to me, and told me to "go get married!" Jeremy and I both have very fond memories of spending time with Patsy and Granddaddy during our trips to and from Texas, at the hospital with Lily, and at family events. She will be missed greatly! She was a very special soul.

“ I first met Patsy in 1996. We met to discuss her purchasing the old Laurel Furniture building for her idea of opening the antique store. She and Don restored the old building into a very prosperous business. She then restored the old house next to FBC on 6th Avenue. I enjoyed her grace and intelligence for many years. She was a true lady. I look forward to seeing you again in heaven Patsy.

“ Patsy was a bright light that came into my life and burned out too soon. God has a special saint. She loved people, and she always tried to help people whenever she could. You always felt loved in her presence. She will be missed very much by all of us at Salem Heigjhts.

“ Patsy was one of the kindest people I know. I can just see her and Phil unloading their vehicle with things for the El Salvador shoe boxes. She enjoyed scouting out places for the Glory Hill Grands to eat and visit.
So sorry for your loss. Praying for God's comfort and peace during these days.
