“ Mrs. Peggy and Family, Life and laughter, these words go hand in hand when I think of Paul, for when he was around we were always sure to have a good time! "Dog" as we so lovingly called him was such a great friend to so many. As you go through the difficult days, may your memories of Paul's infectious smile and laughter carry you through the darkest hours. You are all in my thoughts and prayers.

“ Our deepest sympathies to the family and we are thankful for the opportunity to have known Paul, the best pilot we've ever flown with and who saved our life at least once. I don't believe any other pilot could have reacted as fast as Paul did to avoid an erratic student pilot trying to land at the Gulf Shores airport. Dotti and I lived to thank him many times. We are forever grateful and loved him dearly. Larry and Dotti Seab

“ *Paul's warm character, bountiful humor, and generosity will be truly missed. His quick wit and ready jokes always made him a pleasure to be with, and I remember so fondly our river rafting trip down the Colorado River in 1995 with my Dad, brother Todd, and the Fail family, as well as the many trips he piloted us around the country for years later. Cheers Paul, and as always, keep your company in stitches!*
