“ Paul was a great family man. My father's nephew, my first cousin, 26 six years older than myself. Always trying to make a person smile to get a good picture. He, Fran and the kids spent a lot of time with our family. We all enjoyed those weekends we spent together. A great memory I have of staying with Paul and Fran when I was very young. He took myself, my sister, and his family to my first movie. HERBY THE LOVE BUG, I was young but I remember. It was special to me, I got to go to a movie. He took my wedding pictures. He actually made me look good. We called him for my parents 50th wedding anniversary to take pictures. He told us he could not say no because he took their wedding pictures. Paul and Mark gave us the special memories of our parents Golden Anniversary. Fran, Mark, Terri, Donna, Ashley and Leslie and your all of your family. May God comfort all of you at this time. With love,
Pam
