“ *My deepest condolences and heartfelt love to all the Sampey Family in the passing of Richard! He was such an incredible and amazing Man and I feel honored and grateful to have had him as my Cousin. Richard's zest and love for life, ready smile, and vibrant personality were always such an inspiration to us all! I will always cherish the memories of times spent with he and Sandra, when I would spend the night with Mary while visiting Laurel, throughout the years. Richard always gave of his time, patience, understanding and love to all his extended family members, myself included, and ALWAYS made everyone feel welcome and at home.*

One of my favorite memories of Richard was a hot Summer's Day many years ago in Laurel, Mississippi while our family was visiting my Uncle Paul and Aunt Violet, Richard's parents. Uncle Paul was grilling out in the backyard and Richard, Sandra, Mary and Joey had to come over to visit and share that time together with us. As the food was grilling, the ice cream maker was churning, the watermelon was being cut up, and the sights and sounds of Summer were all around us, Richard pulled out a football and began tossing it to all of us kids. I remember thinking what a beautiful and happy day that was, and that all was right with the World! It was in the little things, the small details, that Richard always made us feel included as children. Even though he was much older than us, he always did things like that to make us feel included, important and that we "mattered". So, Thank You, Richard, for all the laughs and memories...I love you and will miss you! Until we meet again in Heaven, Precious Cousin, So Long For Now!

“ *Mr. Richard. One of the greatest men, fathers, grandfather, and great grandfather I've ever known. A hard working man with a precious Family who opened their home and family up to a 13 yr old girl who wanted to learn then share that knowledge with the children and adults in a nonhearing world. Thank you and your family for it all. Not a day has gone by that I haven't thought about you and your wonderful family.*
