“ Paula was a great lady and a great friend as well as a fellow Harrison Central High teacher. She and my dear husband were fellow American history teachers. Now they finally have more than enough time (eternity) to discuss all the history they loved so much.

“ I knew Paula at Jones Junior College. She was a beautiful girl with a sweet spirit. We roomed next door to each other. Had lots of fun in the dorm.

“ I will miss Paula very much. We were friends for over 25 years. She commented one time that she didn't know how we were such friends-we agreed on a lot of things, but we also disagreed on some key issues. We shared a love of history and gardening and I always enjoyed visiting her home. She will be remembered and missed!

“ *Paula and I were in church together at Green Valley as children and teens. My family and I were also a guest in their home many times. She was always a very sweet young lady. She and my husband were in the same class at JCJC for two years. The last time I saw Paula was in 2004 at my husband's funeral in Pascagoula. My family and I were touched that she came. I send my regard for her and my sympathy to you in her passing.*
