“ To my sweetest Mrs. Pauline whom I met when I started working at Jasper General in 2016 as an activity assistant. She always enjoyed coming to activities and participating... their were times she would crack me up because her hearing wasn't to well so when she tried to whisper to Mrs. Michelle you could hear it 😂. It's hard to post all my other memories with her because I could write a book on this sweet lady... It was my pleasure being able to grow with her and knowing how much she loved me and how Much I loved her and her family... Mrs. Kings family, I want yal to know I love yal so much and I'm thinking of yal 💕💕🙏🙏🙏🙏
