“ I am thinking about your special family during this time. I worked with her for a short time and she was just a 'hoot'. She was always full of life. I always think of her when I see a snicker bar and coke. May God hold you tighter than normal. Lesia Wells

“ Praying for your family during this time of loss. We are remembering all the years we spent together fellowshipping with Peggy at Justice Heights. I worked with her for many years in the Laurel School system also. She always had a unique perspective to life.

“ I love the photo you chose of Peggy. She was a beautiful sole. Her
love of family was apparent as she bragged on each one of you
whenever I saw her. May God comfort you in your time of loss with
the knowledge that she is celebrating in heaven.
