“ To the whole family of Mrs. Phyllis, I extend my heartfelt sympathy to you during this time of loss. I so enjoyed her company each and every time I ever had the pleasure of being with her. What a light she is to us! I believe she will ever burn in the hearts of all who met her. She is so full of love. May her love for you comfort you and remind you of the future you will all share together. May God bless each and every one of you in your journey ahead. I also ask Him to give each of you the comfort that you need. You are in my thoughts and prayers. Love, JoAnn Harelson (Steph's bestest friend).....

“ Gene and family. Please know that my thoughts and prayers are with you at this time. I know Phyllis is with Our Father. She was such a nice person and a good friend to my mom. Remember all the good "southern and Italian dishes" that passed through our back yards in Baton Rouge? God bless and keep you all.

“ To Both of you, Being raised in a home where God is Head of the House is the most precious gift any parent could give to their children. You gave us all that gift. You didn't just talk the talk, you walked the walk and that made all the difference. I know I am the most blessed person in the world to have had such a stable, loving, understanding childhood. You both sacrificed so much of your time, money, and this list could go on forever, to see that we had everything we needed. You brought us up in church to give us a lifelong legacy of love and honor for God and to know the difference in right and wrong. That is something that can never be taken away from us. I love you both so much!!!!!!!!!!!!!!!!!!!!!!!!!!!!
Love, Stephanie
