“ -Niccole Ingram- I will always remember Aunt Polly's laugh. I can hear her right now. She was such a beautiful person inside and out. Greg and I lived with her for a year and I am so grateful to have gotten that time with her. There are several memories that come to mind right off the bat... 1.) Taking Greg, Wesley, and TJoe to work at Buckhault's and Wesley asking "hey aunt Polly's have you ever had your woofers blowed?" Lol 2) leaving at 3 Am with her and Nancy going to Greene County to pick up TJoe... an interesting ride it was, so much fun! And well the third let's just say is between Greg, her and I I... haha she is definitely laughing in heaven right now cause she knows exactly what I'm talking about lol I will forever more miss you Aunt Polly, you helped us in so many ways and I just don't know how to move on and not hear you on the phone everyday with Julie and us all talking crap and giggling. I hate that the phone is never going to ring and hear you say "What yall doin?" I know in my heart that it is not "goodbye" but Aunt Polly, I WILL see you "later!" I love you lady with all my heart.
