Mr. Preston (Pete) served in the United States Air Force early in life for a 4-year term. He met my Mama and married her a couple of years after he got back to Laurel from his military service. Mr. Pete worked several jobs in his

years as a young father, but then worked many years as a dispatcher for Entex gas company and later retired from Mississippi Valley Gas Company. He was saved when his two oldest daughters were very young, and he always expressed his gratitude toward his Lord and Savior Jesus Christ! He measured his success and wealth by knowing that he was a Christian Father that made sure all 4 of his children knew Jesus and were saved. Mr. Preston (Pete) was an active deacon for many years at Magnolia Baptist Church. He was loved and described by his family and friends as being a kind and happy man. We, his family, always referred to him as our songbird for he was always singing Jesus's name.
