“ Bettysue, Sending my love for you to find comfort in the coming days and cherished memories you can hold on to. You and Stoney have been together 59 years that is a long time. I know you will miss Stoney dearly. May the hope of heaven give you peace and the tender touch of God bring you comfort. Hold tight to to memories for comfort. Lean on your friends and family for the strength. Words will not wipe away your tears and hugs may not ease the pain but hold onto your memories because forever they will remain. And always remember how much you are loved. I am here for you my friend! I love you!
