“ We extend our deepest sympathy to Dr. Singh's son, and family. Not a finer, gentler, humbler, more caring and giving person have we known than your Dad. At the Wellness Center where we saw him after work almost daily, he always had a smile and kind word for EVERYONE and never refused to simply listen to medical problems/make recommendations to ANYONE who asked. As Nilda's neurologist for migraines, he is irreplaceable; the best. Dr. Singh is greatly missed, but forever will be remembered with the utmost respect and fondness by all whose lives he touched so deeply. God rest his soul, and comfort you in your great loss.
Sincerely, Richard & Nilda Witty

“ My deepest condolences to Kiran, family and friends. Dr. Singh was a man of great character. He touched so many peoples lives. Your face and words will forever be etched in my memory.
We little knew that morning, God was going to call your name, In life we loved you dearly, In death we do the same.
It broke our hearts to lose you, You did not go alone. For part of us went with you The day God called you home.
You left us beautiful memories, Your love is still our guide, And though we cannot see you, You are always at our side.
Our family chain is broken, and nothing seems the same, But as God calls us one by one, The chain will link again.

“ Dr. Singh was an excellent physician, mentor, and friend. He was one of the first physicians I worked with as a pre-medical student in college, and he even extended his generosity to me as a young medical student. The community has lost a great individual in Dr. Singh and he will be missed. He leaves behind a great legacy that his family would be proud of and I am very fortunate that I had the opportunity to know him as a mentor and friend.
