“ Spent much time with this “young man.” I loved the guy and learned a lot from him in the business world. Also learned many other things outside of PMIC from Randal but we won't get into those. I'll never forget him.....RIP old buddy!

“ My deepest condolences to the Boone family. I am so sad to hear of Randall's passing. A few people from Physicians Mutual (current and former employees) were together Friday night and Randall was fondly mentioned in our conversation. Those were some good times. Randall always had a good story to tell and was not a stranger to the spotlight. He will remain in our fondest memories. May perpetual light shine upon him.
