“ *My dad worked at Thompson Funeral Home when Randy started at about age 20! They gave him fits, because he was the new guy, and he took it very well! We have known Randy all this time and he has always been so helpful, comforting and compassionate when we lost our loved ones. Most recently, Randy helped us honor our daddy when he died in September. We had no doubt that he would see that Daddy received the utmost care, and we were not disappointed. I am so very sad and sorry to hear of Randy's passing. I know he has touched so many families in their time of loss. He was a good, kind, sweet man and he will be greatly missed!!*

“ Randy was such a loving man. PCtech will not be the same without him. Not only was he a great tech but fun loving and showed respect to everyone. Anita, he would always tell us how he hid Frostys from Wendy's in the back of the freezer so you would not know they were there. He talked about you with love.
May God give you comfort at this time,

I'm so sorry about Randy. You all are in my thoughts and prayers. I've got so many fun memories of spending time with you guys. Especially camping and just hanging out with our group back when the kids were younger. I think about that so often. What a crew we all were! All I can think of is how much we all laughed when we were together. Randy was so great and a good friend. He has always been there for us at those times when I just needed a familiar face and there he would be.

I will miss him.

With my deepest sympathy,

“ Anita,

I am so sorry to hear about Randy's death and want you to know you are all in my thoughts and prayers. I would love to be able to attend the service but because of the day and time won't be able to be in attendance. I have a Christmas concert at 4 p.m. Sunday of which I am a children's choir director in Atlanta. Please give all my cousins my love and know that I will be there in spirit.

Love, hugs and prayers to all.
