

Reba Gail Windham

June 22, 1936 - July 13, 2023

Reba Windham, 87, passed away on Thursday, July 13, 2023.

She was born June 22, 1936, in Laurel. Reba was a long-time employee of First National Bank and South Central Regional Medical Center in Laurel until her retirement. Reba lived with her son Ronnie Windham in Orlando, Florida since August, 2021. She was a member of Highland Baptist Church and was a woman of great faith who loved God, her family, and her country. Reba was a cat lover and showed her love and compassion for all of God's creatures by rescuing and caring for a multitude of abandoned kitties and dogs throughout her lifetime. She had been anticipating the return of her Lord since her days as a member of 2nd Ave. Baptist Church, and now she has experienced the Lord returning for her to take her to her heavenly home. We rejoice in that and look toward the time when we will see her there!

Reba was preceded in death by her husband, J.B. (Buck) Windham, her infant daughter, her father Robert Bailey Blakeney, her mother Ida Mae Blakeney, her brother Darrel Blakeney, and her sister Clara Wright.

She is survived by her two brothers Dwight Blakeney (Theresa) and Max Blakeney (Delores); sister-in-law Kay Blakeney, brother-in-law Joe Wright; son Ronnie Windham (Belinda); grandchildren, Christopher Windham, Liz Davis, and Kelly Pittman; and 8 great grandchildren.

“ So sorry to hear of Reba's death! I was privileged to know Reba when we were both young ladies working in the business world. She was a joy to know! Prayers for family and all who loved her.
