“ I was the manager when Robert first came to Watford. It didn't take him long to become part of that community, even though they were in a boom situation and wary of strangers. He was a joy to be around and to work with. He will be missed. Anyone who's life he touched is a better person for it.

“ *Deone and I would like to express our sincere condolences to Karen and the children. His service to our Country should never be forgotten and when we all attended Word of Life many years ago, Robert was a guy I always looked forward to seeing on service days. He was always full of life and a genuine man of God. May God's grace sustain you and your family in this time of loss.*
