*“ I was so sad to hear about Roger. My fondest memory of Roger was golfing with him at one of the family reunions. It was awesome spending that time with him and catching up on each others lives. Prayers are going out to the entire family. Love, Vicki*

“ As Rogers’s little sister I remember playing with all the neighbor kids and Roger was always in charge because he was the oldest. I also have memories of all the baseball games he played in. We (Daddy started it) all would cheer for “ Roger Dodger” to hit a home run and cheer him on when he rounded the bases! There are so many memories to cherish and hold close to my heart. I loved my Brother very much and will miss him!
