“ To all the family of Mr. Roy V. West, Sr., we extend our sincere sympathy. He drilled our well many years ago and his sons have continued to service it for us. We appreciated Mr. West and his friendly hospitality to us, even bringing us some of his great corn on occasion. His sons carry on his legacy with the great work ethic he instilled in them. Your family is in our prayers. God bless you.

“ On behalf of the Willard Rose family, I want to express our deepest sympathy. Our prayer is that God will wrap his loving arms around each one of you and provide comfort during this difficult time. We love and appreciate you more than words can express. I will always have fond memories of working several summers with the family business and without a doubt, this was the best job of my life. Thank you for these memories and God bless.
