“ *Shannon and I were best friends a long time ago. Though I was only 20 the last time we saw each other, and that last time, we hadn't seen each other for a few years.. it was like we only saw each other the day before. That was the king of friend she was. If you were her friend, you were her friend - no matter the time or distance. I've a carried her in my heart all these years and she will always be with me. My heartfelt sympathies go out to her husband, family and friends.*

“ I'm so sorry to hear this . Shannon and I cheered together and played Basketball together at Shady Grove. I saw her often until taco johns closed, then I saw her at Mi Casita a good bit. We both shared Grandchildren stories.. She loved those babies. To the family, I'm so sorry and will keep you you in my prayers... God Bless...
