“ *I truly miss Sharon, my heart is filled with pain and I have tears that keep flowing and then I smile when I think of the way she spoke to me. I met Sharon through an online game but she became a true friend in every sense of the word. God created a very special individual that is flying with the Angels now. I love and miss you dearly.*

“ I am so sorry Sharon is no longer with us. Today is a very, very sad day for me. She was a dear, sweet, loving friend always lifting me up with her kind words, and bringing a smile to my face. I will be forever grateful for knowing her and forever thankful that she made a difference in my life.

I will continue to pray for you, her family and friends, and know now she is safe in the Lord's hands. He has a plan and a purpose for everything done under the sun and only for our good, and one day we shall all meet again.

“ To Sharon's wonderful Family- I will miss the warmth of her personality, the laughter in her voice, and the smile on her face especially when she talked of her grandson. She was an amazing person and she loved with an open heart. She will be deeply missed and my only regret is that I didn't meet her in person. Sharon - thank-you for being my friend.

“ *My sincerest sympathy to Sharon's Family for their Great Loss! Sharon was such a Great Friend. I know that God had us cross paths, even for the short time we had so I could feel the Love in her heart for all people she met. She was a Mentor who loved helping and befriending! She was my Friend who I will truly miss and will forever hold in my heart! Rest in Peace with God Sharon! We will someday meet in person up there and I'll bring my laptop so we can make whatever makes you smile!*

“ *For my good friend Sharon - RIP
So sorry to hear of your sad loss! Our thoughts and deepest
sympathy are with you and your family!
She passed away like morning dew Before the sun was high; So
brief her time, she scarcely knew The meaning of a sigh.
As round the rose its soft perfume, Sweet love around her floated;
Admired she grew-while mortal doom Crept on, unfeared, unnoted.
Love was her guardian Angel here, But Love to Death resigned her;
Though Love was kind, why should we fear But holy Death is
kinder?*
