“ *My favorite memories of my mom are all the concerts and campouts she would take me to. Or being a chaperone at school field trips. She was caring and compassionate. I pray she flies high and is with her loved ones. You are surely missed*

There are so many beautiful memories I could say about sheila. She was like a mother to me growing up. I will miss her so much. She was definitely one if a kind. Those who know her know what I mean. She was so loving and caring and definitely a die hard animal lover. One of my favorite memories of her was when niki and I were teenagers and we went to taco bell one night with her lol. This was a local hang out for the high school kids. They were all crowded outside and wouldn't move. She wanted to be a police officer so bad at one time and she got out of the car yelling and screaming at all the kids that she was a police officer and would have them arrested if they didn't move lol. Niki and I were so embarrassed we were hiding in the car slid down so no one could see us. At the time it was so embarrassing however looking back at it now it is funny to me. We had so many great times though. I will love you always sheila and not a day that goes by will I not miss you.
