“ To Sherry's family....I have not seen her since High School but I thought she was just the most fun and always had something up her sleeve in fun things to do. She always smiled, always was super friendly and she just loved life to the fullest. I feel sure she lived the rest of her life in the same way. Bless you all as you remember her with pictures and great memories of ways she touched your lives. I am so very sorry for this loss.
