“ I can't even begin to imagine the heartache or pain that my 2 Brothers have be going thru since they lost their mom. Well it's been a long time since my childhood days , but not so long that I've forgotten I to had the privilege of calling her mom because her sons and I were inseparable as teenagers, so I was treated like family and she was my second Momma.

So hears to you Mom !! May all the memories you've left behind last me until we meet again in the Great Everlasting.

With a humble heart,
Jeff Ivey.

“ What memories I will forever hold in my heart of Sherry - from all the Mary Kay events we shared with fun and laughter - to shopping til we dropped - to holding each other up in the good and bad times - to decorating the church for showers and special occasions - so many sweet memories. She will be missed by so many - still seems like a bad, bad dream. My heart is so heavy and sad, but I know she is rejoicing in Heaven! My continued prayers will go up for ALL family and friends that will miss her so much. God bless you!! We WILL see her again one day.

“ Sherry was always one of the sweetest christian ladies. She did the bridesmaids dresses for my sisters wedding and fittings for all of us girls. I will never forget that. Always thought she was a beautiful lady. She will be greatly missed by so many but I know we will see her again in heaven one day. My sincerest condolences to all her family and friends. May God bless you with peace in knowing she is not sick or in pain anymore and that she gets to see Jesus before us.
